## NICK JARVIS

Nick's poetry is inspired by identity, and thinking about who we are. Sometimes that isn't always the same as who we think we are, or who we think we are supposed to be.

## J & B

When it comes to music, Jamie and Bea give meaning to the word 'passion'. With a catalogue of classic and contemporary tunes in their repertoire, we'll all be tapping away as the sparks fly into the night sky, and mingle with the stars.
